Michele Seffino

Michele Seffino is an emerging artist, working primarily in sound art and installation art.

His artistic research focuses on sound as a spatial phenomenon, with special attention to the daily and domestic environment and to the public space.

Solo exhibitions

2022

2021

- *Klangore*, Sala Fittke, Trieste (Italy)

Group exhibitions, performances, artistic activities (selection)

2023

- *NxT Hackathon*. MUSE - Museo delle Scienze, Trento (Italy)

2022

- *Principi. Costruire per le generazioni*, Biennale della Tecnologia - Paratissima, Politecnico, Torino (Italy)
- *E luce fu. La materia illuminata*, Dueunodue Spazi Espositivi, Bologna (Italy)
- *The Tending of the Otherwise*, Procida Italian Capital of Culture 2022, Procida (Italy)
- *Take Care of Yourself*, Galleria Stone, Cervignano (Italy)

2021

- *Premio Fregellae - La piccola scultura*, Torre Medievale, Ceprano (Italy)
- *Interruption. Appearance and disappearance of man-made landscapes*, TAKKK Art Centre, Tammiku - Kohila (Estonia)
- *Mediterranea 19 Young Artists' Biennale*, Città di San Marino (Republic of San Marino)

2020

- *Piksel Festival*, Bergen (Norway)
- *TAKKK International Environmental Art Symposium*, TAKKK Art Centre, Tammiku (Estonia) - *artist talk*
- *Evolving Narratives*, Klangmanifeste 2020, Vienna (Austria)
- *OpenCube*, IEM, Graz (Austria)

2019

- *Welcome to the Machine*, Paratissima - Festival della Tecnologia, Torino (Italy)
- *Ronzii - Visioni Digitali*, Stazione Leopolda, Pisa (Italy)
- *Prima Mostra di Selezione per la Biennale Roma 2020*, Castello di Cavagliano Novara, (Italy)
- *Connected. Peter Kogler with...*, Finissage concert, Kunsthaus, Graz (Austria)
- *Block That Chain*, KiGI! - Kultur in Graz, Graz (Austria)
- *OpenCube*, IEM, Graz (Austria)
- *next_generation 8.0*, ZKM, Karlsruhe (Germany)
- *Wenn Räume klingen, träumen die Ohren*, Forum Stadtpark, Graz (Austria)
- *Diffrazioni Festival*, Firenze (Italy)

2018

- *Blue Notte Festival*, Gorizia (Italy)

2017

- *Contemporanea Acusmatica*, Udine (Italy)
- *ChampdAction LAbO*, deSingel, Antwerp (Belgium)
- *OpenCube*, IEM, Graz (Austria)
- *next_generation 7.0*, ZKM, Karlsruhe (Germany)
- *Caucigh*, Udine (Italy)

Artistic Residencies

2023

- *Stanze Viventi - Living Rooms*, Flashback Habitat, Torino (Italy)

2021

- *TAKKK International Environmental Art Symposium*, TAKKK Art Centre, Tammiku - Kohila (Estonia)

Selected Works

Michele Seffino, *army_pttrn*, 2016 - ongoing

Video installation, one channel video projection, production still

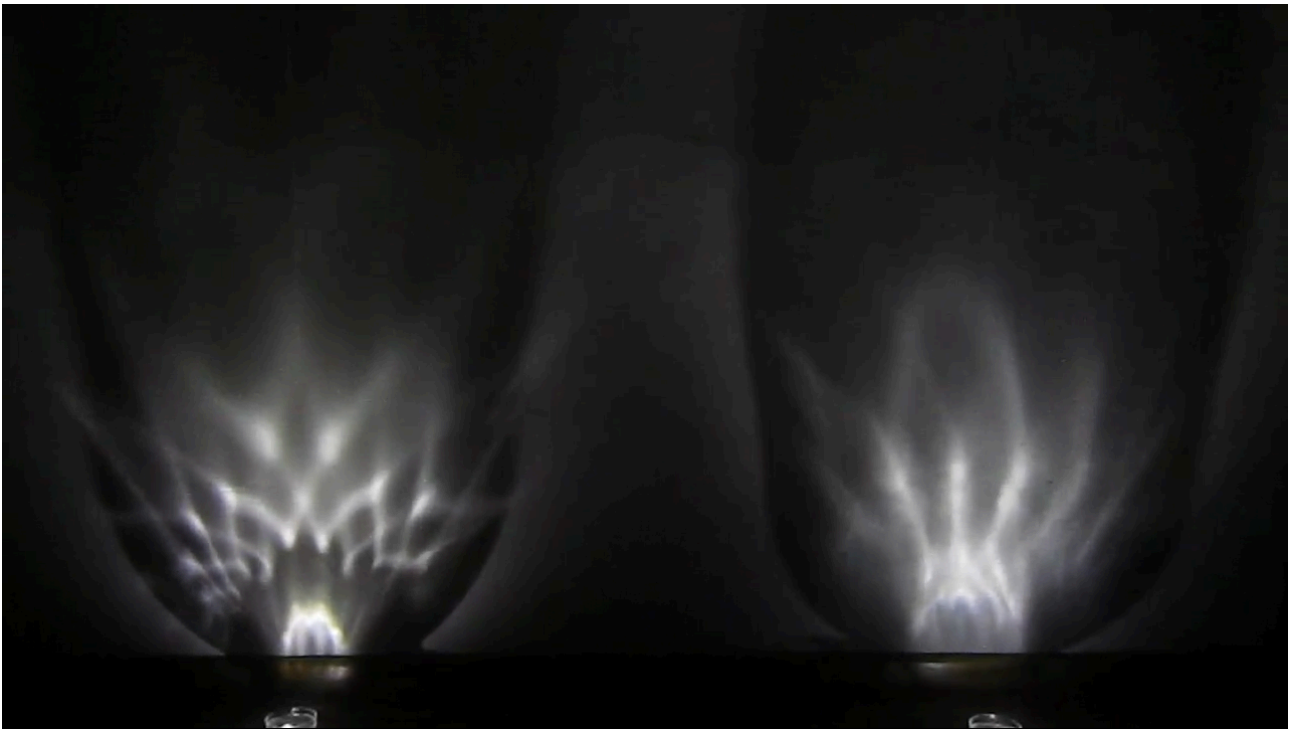

Michele Seffino, *Expectations*, 2017

Sound installation, wood, audio transducers, audio amplifiers, multi-channel sound environment computer controlled, mic stands, cables, installation view, dimensions variable

Michele Seffino, *Alcoholic Counterpoint*, 2017

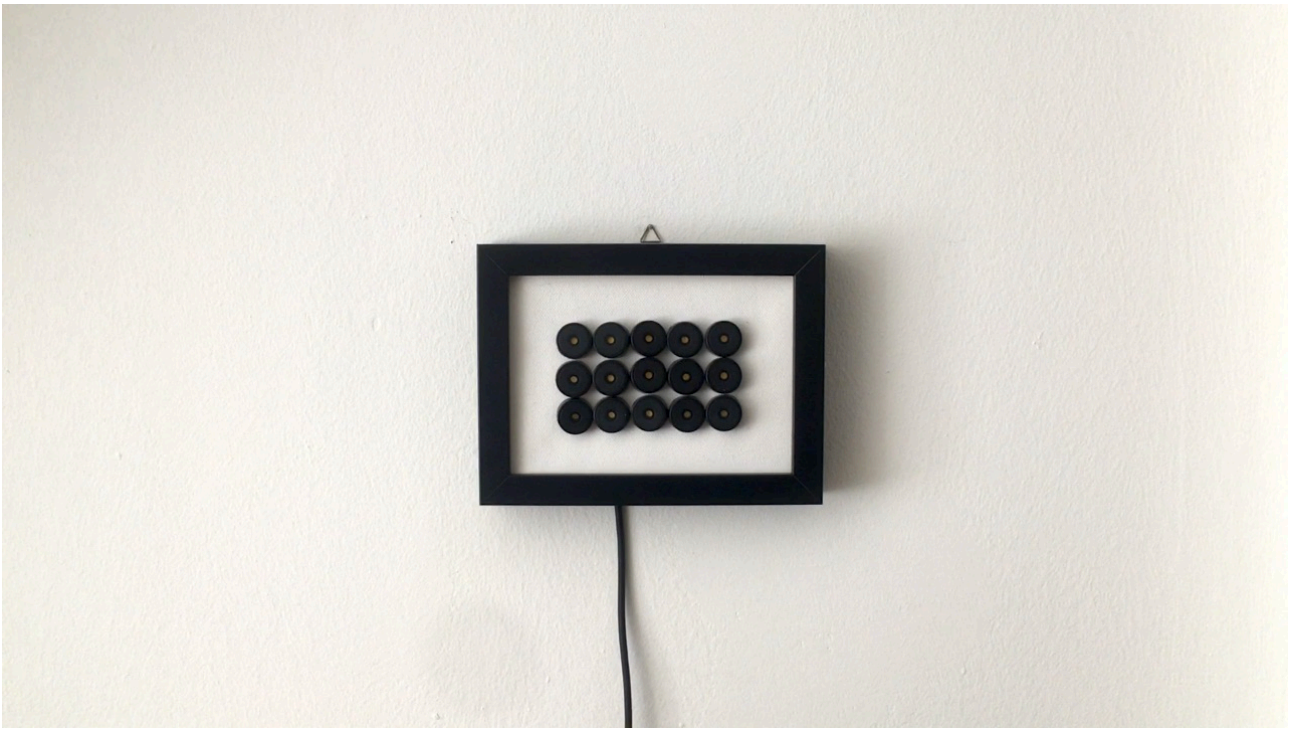

Sound installation, glass bottles, cork, loudspeakers, audio amplifiers, microphone, soundcard, multi-channel sound environment computer controlled, cables, installation view, dimensions variable

Michele Seffino, *Focolari*, 2018

Sound/light installation, audio transducers, Petri plates, sine-waves generator, water, LEDs, wires, custom electronics, cables, installation view, dimensions variable

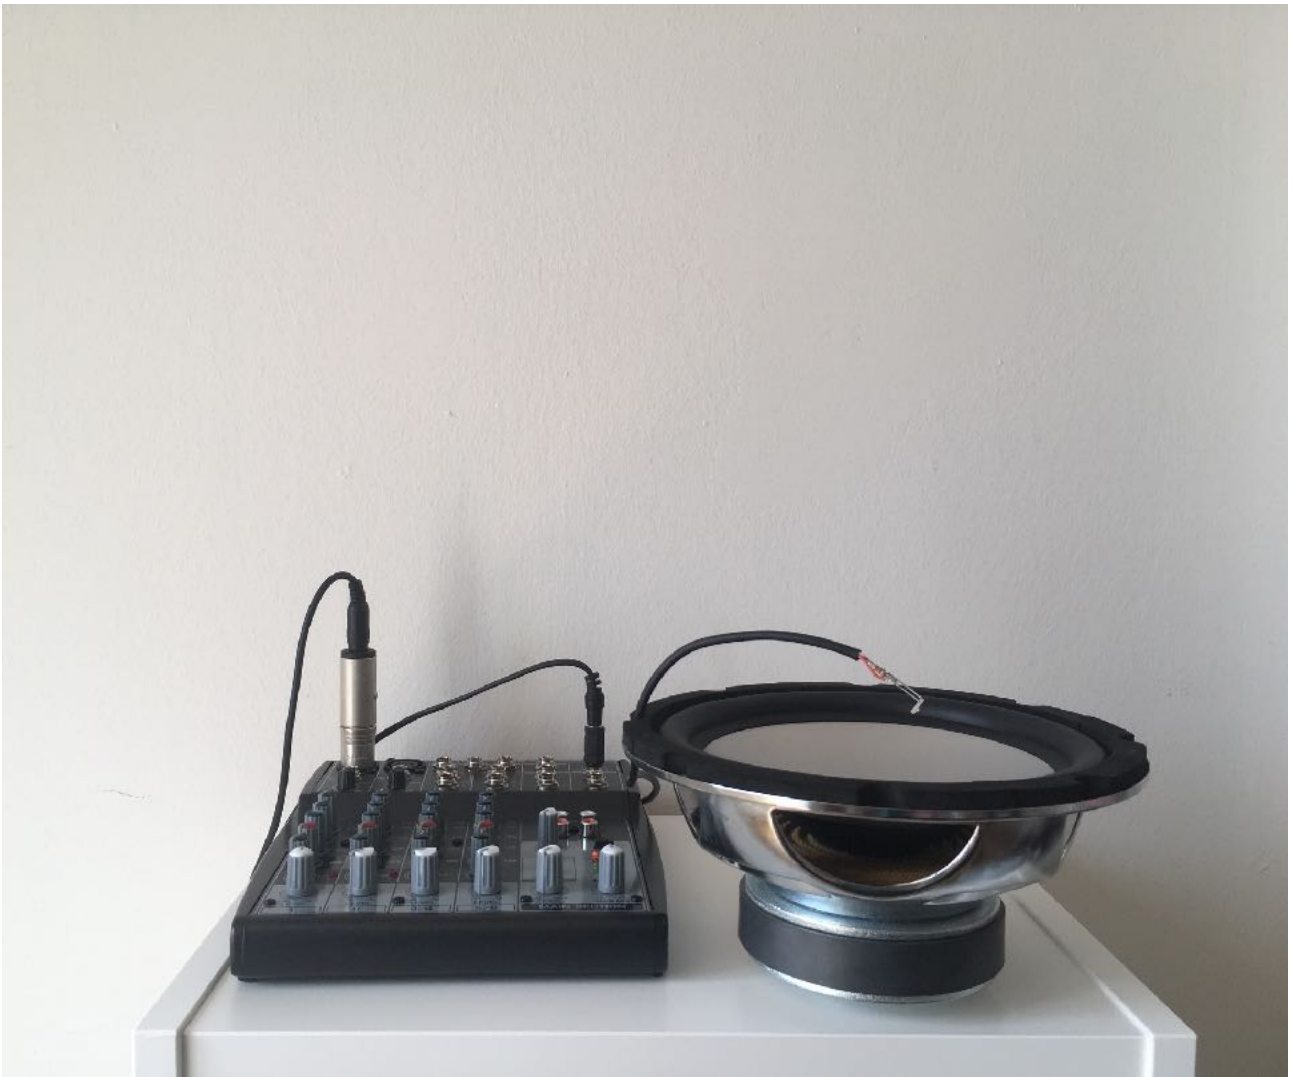

[Link](#)

Michele Seffino, *Sound on canvas*, 2018

Mixed media on canvas, single-board microcontroller, 15 piezoelectric speakers, wires, custom software, custom electronics, USB cable, 13 x 18 cm

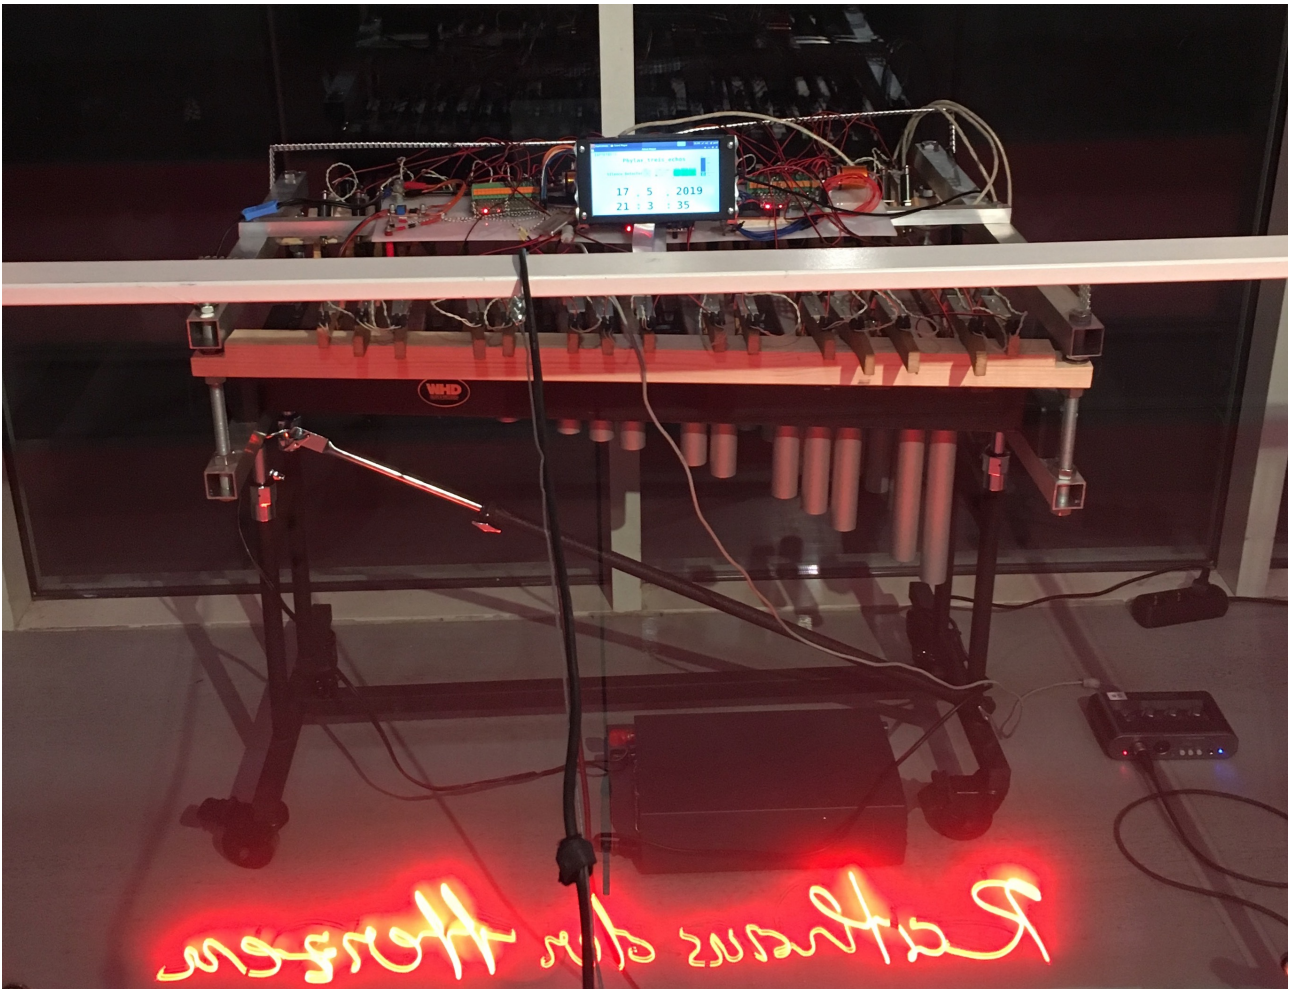

[Link](#)

Michele Seffino, *Pendulum Light*, 2019

Sound installation, subwoofer, mixing desk, audio amplifier, phototransistor with custom electronics, cables, dimensions variable

[Link](#)

Michele Seffino, *lapetos*, 2019

Sound installation, small marimba, single-board computer, soundcard, microphone, music composition, custom software, custom mechanics, custom electronics, cables, installation view, dimensions variable

Concept by Winfried Ritsch, built by Atelier Algorithmics

[Link](#)

Michele Seffino, *Prométhéus*, 2019

Sound installation, subwoofer, mixing desk, audio amplifier, phototransistor with custom electronics, tea-lights, third hand stand, cables, dimensions variable

[Link](#)

Michele Seffino, *Ecstasy*, 2020 - ongoing

Sound installation, ride cymbal, cymbal boom stand, electromagnets, neodymium magnets, contact microphone, custom mic stands, audio amplifier, soundcard, DSP board, custom software, cables, dimensions variable

[Link](#)

Michele Seffino, *Insecta & Aves for the End of the World*, 2020

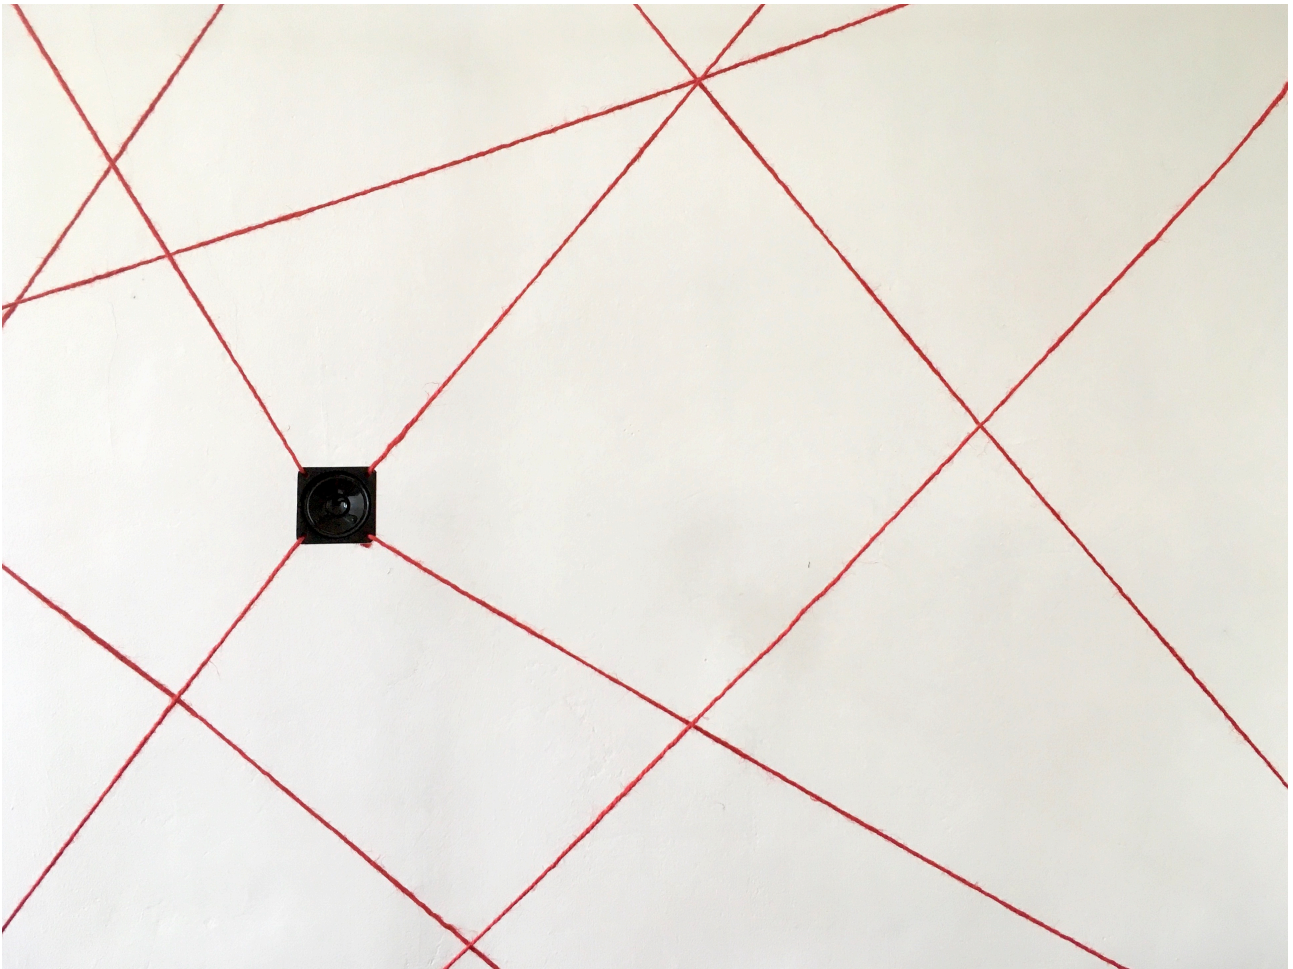

Solar powered sound installation, single-board computer, power-management board, audio amplifier, loudspeaker, solar panel, waterproof plastic box, wooden bird-nest, wires, custom software, custom electronics, cables, dimensions variable

[Link](#)

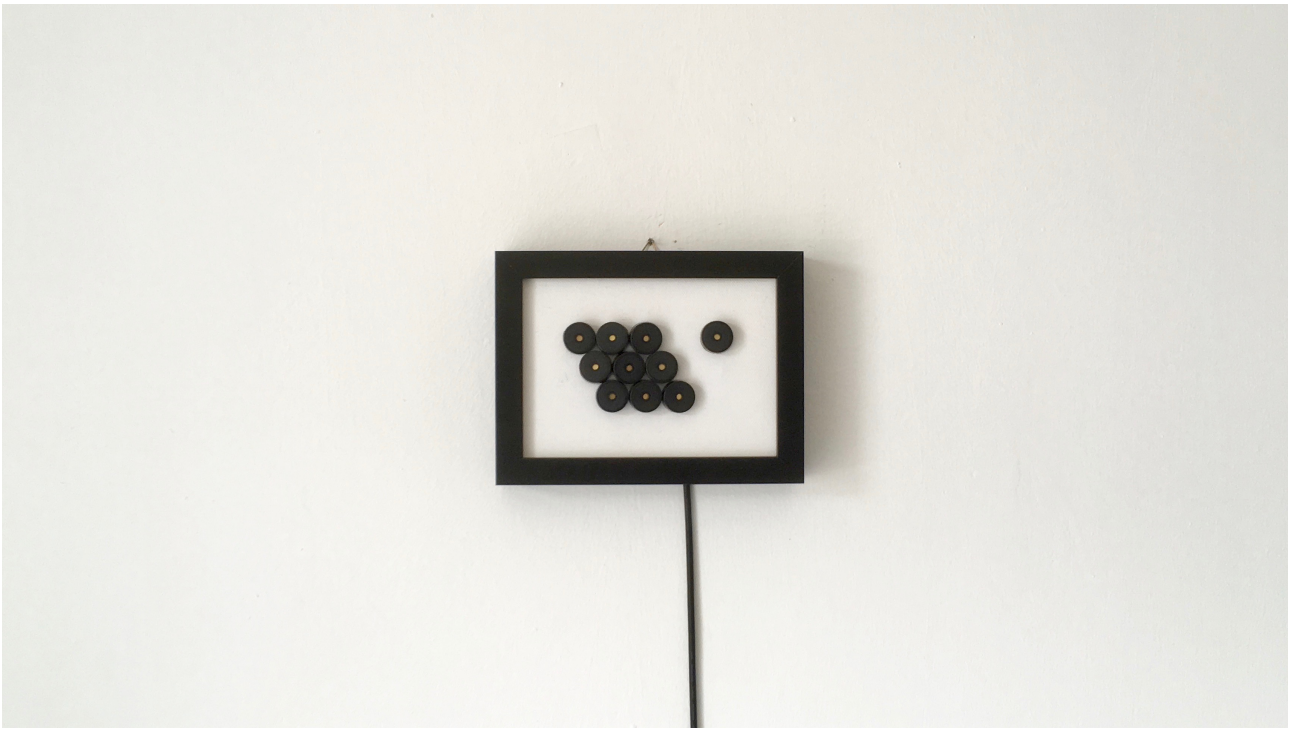

Michele Seffino, *[Anatomia 5]*, 2021

Kinetic sculpture, emergency blanket, single-board microcontroller, SMA, batteries, wires, custom software, custom electronics, cables, dimensions variable

Michele Seffino, *La possibilità di un altrove*, 2022

Sound installation, PMMA, stainless steel, single-board computer, audio amplifier, loudspeaker, rope, wires, custom software, custom electronics, cable, dimensions variable

Michele Seffino, *Sound on canvas #2*, 2022

Mixed media on canvas, single-board microcontroller, 10 piezoelectric speakers, wires, custom software, custom electronics, USB cable, 13 x 18 cm

[Link](#)

Michele Seffino, *Senza titolo (dittico)*, 2022

Mixed media on paper, pencil, watercolor, cardboard, single-board microcontrollers, fiber optics, LED, speaker, wires, custom software, custom electronics, USB cables, 25 x 25 cm
